PROTECTIVE ORDER

On December 20, 2002, Qwest Corporation (Qwest or provider) filed a Motion for Protective Order to govern certain information expected to be filed in the above-entitled proceeding. Qwest requests protection of information relating to responses to Public Service Commission (PSC) data requests which pertain to customer usage, peak call volumes, total call volumes, stimulation studies, quantification of toll traffic, and traffic volumes by category. Qwest argues that the identified information is trade secret in accordance with § 30-14-402, MCA.

The PSC determines Qwest has shown good and sufficient cause in fact and law that the information for which protection is requested is entitled to protection from uncontrolled public disclosure pursuant to § 69-3-105, MCA. Therefore, the PSC grants Qwest's request and hereby orders that information submitted in accordance with this Order be treated as "confidential information" under the terms of this Order and PSC protective order rules, ARM 38.2.5001 through 38.2.5030.
